<u>Western States Electric, Portland, OR</u>	\$37,583.20

BACKGROUND INFORMATION: On December 1, 1998, the City Council approved specifications and authorized advertisement for bids.

Bids were received and opened on December 17. A summary of the bids is attached as Exhibit A.

Evaluation was based on proposals submitted for each size of cable. It is staff's recommendation that award be made to the low bidder in each size category. Pirelli was the low bidder for #2/0 underground primary and #750 600V XHHW aluminum, while Western States Electric was the low bidder for the #1/0 and #350 Underground triplex.

A portion of the #2/0 15kv XLPE conductor and underground triplex is planned for installation in new residential developments such as Thayer Ranch, Lodi West #5, and Towne Ranch #7. The balance will be placed into inventory to cover future requirements.

The #750 conductor will be used to provide service to Fairmont Sign Company and the Vaz Trucking warehouse expansion on East Vine Street.
